LE BRAS DROIT

## LE FUSIL D'OR

Henry Stickmin, jeune collectionneur de richesses, apprend que le clan Toppat, grande organisation criminelle internationale, vient de voler un Fusil d'or de valeur estimée à 2 milliards d'euros. Tout de suite, il appelle son ami Charles, pilote du gouvernement, afin de l'aider dans sa quête. Mais Reginald Copperbottom, chef du clan Toppat, et son bras droit ne vont pas se laisser faire! Henry va-t-il réussir à obtenir l'objet tant convoité?
